During dedicated time, I walked outside (or elliptical-ed if it was raining) and listened to them again, at least 1 hour a day. I decided to start studying for Step 1 with a small group of friends from my class since it seemed unlikely that they would call us back to the hospital anytime soon. I didn't get paid to write this or anything other than the free subscription he gave me, but if you struggle with biochemistry as much as I do, I'd definitely recommend checking them out! 63 notes Â·Â View notes nearlyheadlesspeeves Â·Â 3 years ago Photo Sketchy is really stepping up their game eh!!
